II Nomination & Selection of Assignees

Under the terms of this agreement, CIA may initiate requests to State for the assignemnt of State personnel including FSO & employees. Such requests can be made by name or request can be made for the names of qualified personnel.

III Salaries

Advances will be made to the Dept at the beginning of each quarter by the use of SF 1080, Voucher for Transfer. Initial payments will be made for the first six months of the 1950 fiscal year. A separate Transfer Voucher will thereafter be submitted at the commencement of each quarter beginning on 1 January 1950. Such payments will include only the basic salary compensation paid by the Dept since any other direct costs will be borne by CIA. Quarterly estimates will be based on known and anticipated needs for each quarter by grades and type of officials assigned. Adjustments will be made on each 1080 for over or under-payments for the preceeding quarter. Fourth quarter adjustments should not be normally be necessary.

IV Travel Arrangements

Any required temporary duty travel in the US will be ~~covered~~ covered by appropriate CIA appropriations and all expenses will be made to the officials concerned by CIA. Travel from overseas posts to the continental US prior to detail to CIA and, in the event of assignment for overseas duty, the travel, salary, and other reimbursement items will be handled under the terms of a separate agreement which has been consummated for such purposes.

THIRD DRAFT OF A PROPOSED AGREEMENT B/ STATE & CIA 17 May 1949

CIA will reimburse the Dept of State for the salaries of a limited number of FSO who will be detailed to CIA when assigned to Washington but not if for those assigned elsewhere

Those assigned to CIA in Washington will probably be used in the different geographic divisions of CIA as research analysts.

The normal tour of duty will be at least two years.
